

MUKAIBURGER ENGINEERING NIGERIA LIMITED

CORPORATE PROFILE & CAPABILITY STATEMENT (2026 EDITION)

RC: 1300720 • Incorporated Nov 23, 2015 • Polaris Bank Plc: 4091245615 • "...Sound Quality, Sound Engineering"

1. Executive Summary & Corporate Identity

Mukaiburger Engineering Nigeria Limited (RC: 1300720) is a premier indigenous civil engineering, structural construction, and infrastructure contracting firm incorporated under the Companies and Allied Matters Act of Nigeria. Established in 2015 by seasoned structural specialist **Engr. Azeez Mukailah Matthew Adewale**, the company bridges rigorous structural science with rapid, zero-defect execution across Nigeria.

The corporate identity originates from the founder's Junior Secondary School (JSS 1) years, fusing the native name Mukaila with the historic German engineering suffix 'Burger' (denoting architectural fortress, endurance, and impenetrable stability). Operating across high-value residential, ultra-luxury high-rise, and federal heavy civil sectors, Mukaiburger represents the highest standard of structural precision.

2. Executive Leadership: Engr. Azeez Mukailah Matthew Adewale

Engr. Azeez Mukailah Matthew Adewale (B.Eng, PGD, MNSE, COREN Reg.) serves as Managing Director and Chief Executive Officer. With over 13 years of documented leadership on Nigeria's most complex projects, Engr. Mukailah has steered landmark undertakings for top-tier multinationals and major institutions:

- **Joe Faraday Limited:** Active Construction Manager and lead site engineering authority on Banana Island, Ikoyi (including The Palisades at Plot L1, 401 Close and The Woodlands at 102 Close).
- **Shapoorji Pallonji Nigeria Limited:** Construction Manager for the 7-storey, 150-bed New Massey Street Children's Hospital on Adeniji Adele Road, Lagos Island.
- **Sermatech Nigeria Limited:** Senior Project Manager leading the 28.6km Calabar-Itu Federal Highway Dualization (4 major reinforced concrete bridges), the 14-Storey Plot K14 Tower on Banana Island, and the Central Bank of Nigeria (CBN) Centre of Excellence 133-Room Postgraduate Hostel in Enugu.
- **Arbico Plc:** Senior Site Engineer for core civil and technical facilities at the Dangote Petroleum Refinery & Petrochemicals Complex in Lekki.
- **CMB Building-Maintenance & Investment Co. Ltd:** Senior Project Manager overseeing Pearl Gardens and Pearl Megapark/Nuga Estates along the Lekki Expressway.
- **BCC Tropical Nigeria Limited:** Site Manager for multi-billion Naira Jos Stadium regional sports infrastructure, urban road dualizations, and educational facilities in Yobe State.

3. The Three Strategic Project Pillars (15 Verified Flagships)

Pillar 1: Institutional & National Infrastructure

1. **Dangote Petroleum Refinery & Petrochemicals Complex (Lekki):** Heavy industrial concrete structures, administration towers, and site infrastructure.
2. **Calabar-Itu Federal Highway & 4 Major Bridges (Cross River / Akwa Ibom):** 28.6km federal highway dualization, deep swamp stabilization, cut-and-fill, and 4 major river bridges.
3. **New Massey Street Children's Hospital (Lagos Island):** 7-storey, 150-bed specialist paediatric hospital executed with Shapoorji Pallonji for LASG.
4. **CBN Centre of Excellence Postgraduate Hostel (UNEC, Enugu):** 133-room world-class multi-storey residential

and academic complex.

5. **Jos Stadium & Regional Civil Works (Plateau State):** Multi-billion Naira sports arena, grandstand concrete/steel, and urban drainage networks.

Pillar 2: Ultra-Luxury High-Rise & Island Enclaves

6. **The Woodlands Luxury Residences (102 Close, Banana Island, Ikoyi):** Multi-storey bespoke waterfront residential apartments and luxury finishes.
7. **The Palisades Luxury Residences (Plot L1, 401 Close, Banana Island):** Ultra-luxury waterfront tower, subterranean retaining walls, and penthouses.
8. **Plot K14 14-Storey Mixed-Use Tower (Banana Island):** Deep foundation piling (50 bored piles, 300KN capacity, semi-raft) and structural superstructure.
9. **Pearl Gardens & Pearl Megapark / Nuga Estates (Sangotedo):** Gated residential master community, road paving networks, and multi-unit duplexes.

Pillar 3: Turnkey Residential & Regional Commercial Builds

10. **Ile-Oluji Private Luxury Residence (Ondo State):** Turnkey design and construction from foundation to luxury delivery.
11. **Akure Multi-Site Residential Duplexes & Turnkey Homes (Akure):** Multiple luxury duplexes, structural frames, and compound engineering.
12. **Ibadan Residential Building Construction (Ibadan, Oyo State):** Private multi-unit residential structural construction and oversight.
13. **Police Barracks Technical Workshop Facility (Borno State):** Institutional maintenance facility and heavy structural steel framing.
14. **Yobe Educational Facilities & Civil Access Roads (Yobe State):** Multi-classroom blocks, administrative centers, and road paving.
15. **Benue State Quality Control Civil Engineering Lab (Makurdi):** Materials testing laboratory and structural quality assurance facility.
